

KS4 Textile Design

Module 5: 6 weeks – 15 lessons
Component 2 [ESA]: Final Design; final samples; pattern cutting for final outcome; final exam planning; final product manufacture during 10 hour exam.

Module 2: 6 weeks – 15 lessons
Component 1: Final Design; final samples; pattern cutting for final outcome; mock exam planning; final product manufacture during 10 hour exam.

Module 1: 6 weeks – 15 lessons
Component 1: Developed Samples – response to similarities & differences between artists / designers. Design collection x 3. Thumbnail samples x 3.

Module 3 & 4: 6 weeks – 15 lessons
Component 2 – ESA [Externally assessed assignment]: Initial research; Initial samples; designer research x 2; developed samples. Further developed Samples – response to similarities & differences between artists / designers. Design collection x 3. Thumbnail samples x 3.

Module 6: 6 weeks – 15 lessons
Component 1: Designer / artist research 2; observational drawings; response to research sample experimentation; and design ideas. Similarities & Differences between 2 artists / designers.

Module 5: 6 weeks – 15 lessons
Component 1: Designer / artist research 1; observational drawings; response to research sample experimentation; and design ideas.

Module 1: 6 weeks – 15 lessons
Workshop skills – responding to natural forms stimuli. Surface decoration techniques: Batik; heat transfer; plastic bonding; applique; reverse applique; laser cut block printing; tucks; and gathers.

Module 2: 6 weeks – 15 lessons
Extension to module 1 workshop skills – Developed samples: Responding to 2 artists / designers research combining surface decoration techniques – making contextual links between own work and work of others.

Module 4: 6 weeks – 15 lessons
Component 1: Responding to a set brief / theme. Intro to brief; primary research; markmaking; initial sampling; and Initial sample development

Module 3: 6 weeks – 15 lessons
Design Collection – incorporate developed samples into design ideas. Final skirt design: Incorporate 2 thumbnails. Create Final thumbnail samples. Skirt manufacture. Project & Product evaluation
